

Conformity attestation

N°101799-20241219_0839

Ecocert Greenlife SAS hereby confirms that:

INTERCHIMIE

ZAC DU PARC, 13 RUE LOUIS BLERIOT, 77290, Compans, ILE-DE-FRANCE, France

has raw materials approved in accordance with standard requirements:

COSMOS v4 in force (including all sub-versions)

COSMOS
APPROVED

For the following products categories:

By products oils / fats and derivatives, Cosmetic formulation bases, Derivatives of minerals, Honey and products derived from beehive, Made with chemical transformation (mono ingredients), Minerals, Other products from fermentation, Perfumes and Aromas, Plants and seeds, Sugar derivatives, Sugar, molasses and syrup, Vegetable oils and fats

PPAI : Physically Processed Agro-Ingredients / CPAI : Chemically Processed Agro-Ingredients / NNI : Non Natural Ingredients (Petrochemical origin) / PeMo : Petrochemical Moiety

Without animal origin : Raw material compliant to the complementary assessment « without animal origin » in force

The asterisk * is used to identify the commercial name of the raw materials concerned by the appendices II and/or V of the Cosmos-standard.

Attestation issued on 19 December 2024 and valid until 31 December 2025.

WARNING: The sole purpose of the present attestation is to allow the raw material(s) to be used in finished products to be certified as compliant to the standard specified in the first page. In no event this attestation should constitute proof of the actual certification of the conformity of the raw material(s) to this standard. In that context, the raw material (s) listed in this attestation must not be qualified and / or marketed as «organic» raw material(s) certified in accordance with the abovementioned standard. The approval of the raw material (s) listed in the present attestation is personally addressed to the above-mentioned beneficiary. It is the beneficiary's liability to ensure that its own customers are aware of the requirements and prohibitions defined in the terms and conditions and governing any reference to and use of the approval of the rawmaterial(s) and that they abide by it.
